Dear General Assembly Member:

REVENUE STABILIZATION FUND

This Office is providing a report of the required calculations for the Revenue Stabilization Fund.

BACKGROUND

Article X, Section 8 of the Virginia Constitution and the enabling legislation, requires this Office to report to the General Assembly by December 1, the following:

1. Certified tax revenues for the calculation of the Revenue Stabilization Fund;
2. The maximum size allowed of the Revenue Stabilization Fund; and
3. The amount of the mandatory deposit to the fund.

The attached exhibit provides the certified tax revenues for the past seven years, the percentage of revenue growth for each year, and the average percentage of revenue growth for the preceding six years. The exhibit shows the calculation for the maximum size of the Revenue Stabilization Fund and the funding progress to date.

CALCULATION OF MANDATORY DEPOSIT REQUIREMENTS

Certified tax revenues grew by 2.77 percent between fiscal years 2000 and 2001, and the average revenue growth for the preceding six years was 9.21 percent. Under provisions of the Revenue Stabilization Fund, the comparison of last year's revenue growth and the average growth is a *negative* 6.44 percent. Therefore, the General Assembly does not need to make a deposit to the fund during the fiscal year ended June 30, 2003.
